Catalogue of Training and Learning Aids

Roger's Training Lead: This combination leash consists of a 6' lead connected to a Martingale style collar that is uniquely designed with a superior top locking adjustment property. The importance of this design is that it enables the proper placement of the collar (high on the neck – just below the ears) and it remains there with much less tendency to slide down the neck. This setup allows the lead to be used to correct effectively when necessary.

The Roger's Training Lead is available in S, M, L, & XL sizes.

Small fits necks:
8"-12" with a maximum head size of 13".

Medium fits necks 10"-16" and a maximum head size of 18".

Large fits necks 15"-21" and maximum head size of 23".

Extra Large fits 20"-30" necks and maximum head circumference of 32".

The lead (as pictured on this page and the previous page) is available in several different materials – from nylon webbing to various types of cordage. In addition, the neck strip is also available in Deval chain. The Lead portion can be ordered in leather.

Price Basic = \$13.95

Extras: Add \$8.00 for chain neck strap. Add \$15.00 for leather lead.

Training aids Especially for Small Dogs

Finding properly fitting training equipment for the little guys can be especially difficult. At Tsuru, we've tailored a whole set of Roger's Leads, collars and long lines that are specially designed for small bodies and little necks.

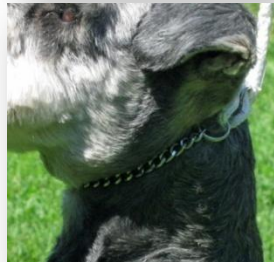

The Roger's Lead comes in four sizes. Pictured here is Dexter a Mini Schnauzer wearing a series of small options. This size is designed for neck sizes from 8 – 12 inches. Maximum head size the collar will fit over is 13 inches (measured at the largest part of the head).

Available in several different materials. The neck strap is available in 3/8" nylon webbing, soft nylon cordage or high quality Deval chain. The working loop and lead portion is available in either nylon webbing or cordage. We can also custom make the lead portion with leather.

Cost: Roger's Lead using cordage or webbing is \$13.95. If requesting the Deval chain neck strap add \$8.00. If ordering the lead portion in leather, add \$15.00.

Roger Training Lead with pinch:

This combination leash consists of a 6' lead connected to a Martingale style pinch collar that is uniquely designed with a superior top locking adjustment property. This combination allows for ease of putting the collar on without having to first open the links. The range of materials available is the same as for the Roger's Training Lead. In addition, the pinch portion is available with link sizes Small, Medium, Large, Extra Large and for the little guys, Mini-Link Prong. As pictured, (lower left) we also offer the "Star Mark" or "Good Dog" collar option. Top right picture is the Mini Link.

Pictured directly above is the Mini next to a Small prong for comparison.

Price \$30.95 Extras: Add \$15.00 for leather lead.

Walk-well Head Halter: Designed with comfort in mind. Nose loop is made With Arctic Fleece attached. There is also one design of this Halter which has a detachable nose loop turning it into a regular flat buckle collar. Limited sizing available in small, medium and large.

Price: \$15.04

Walk-well Leash: No plastic hardware to break. Lots of adjustment (At it's smallest, the leash is 4' and it can expand out to 7'). Can be used to leash two dogs, used as a waist leash, an over the shoulder leash or for briefly tethering your dog.

Price - 5/8" lead \$20.00

Price - 1" lead \$25.00

Manners for the Family Dog

-Puppy to Adult

By Roger Hild

Tsuro Dog Training

The basic dog training program I offer to my clients is based upon the materials I have prepared in "Manners for the Family Dog." This package is offered as a Workbook and DVD set and the workbook contains all the topics seen on the right hand side of this page. It is designed to provide for a well mannered companion and at this level it includes all the "on-leash" exercises.
